Veil. When technology meets art

Balanced curves and ultra-responsive controls set the Veil toilet apart. The epitome of minimalist and ergonomic design, its sculpted form pairs with a suite of customized features fine-tuned to offer optimum hygiene and the ultimate in individual comfort.

With its clean, refined lines, Veil is the height of contemporary design and function. Every detail is meticulously attended to, from the concealed tank and integrated mounting hardware to the self-sanitizing bidet. The result is a smart, easy-to-clean toilet with a sleek, seamless look.

French Curve Seat

The integrated French Curve Seat is ergonomically designed to minimize pressure points and enhance comfort. Additionally, the seat is made with antibacterial material for improved hygiene.

Remote Control

Designed to fit easily in your hand for one-touch control, the remote control offers ready access to the full menu of cleansing features.

Flushing System

Rimless bowl offers a cleaner flush with its 360 degree, all-around system.

Dual jets create a strong siphon for an efficient flush.

Powerful water flow eliminates bowl residue.

Sensor Activated

Adjustable sensor automatically opens and closes the seat cover. Choose from 3 available distance settings.

Multi-Function Dual Nozzles

Front wash: air-infused gentle cleansing with 78 fine nozzles

Rear wash: spiral spray offers broad cleansing coverage

Pulsating wash: intermittent spray cleanses and soothes

Oscillating wash: spray moves back and forth for more effective cleansing

UV-sanitizing: UV light disinfects wand automatically every 24 hours

Self-cleaning: wand is automatically washed with sterilized water after every use
